

# SMLS Special Events 2011-2012

Updated 08.19.2011

In an effort to help our families plan ahead, we have compiled this list of special events that will occur during the 2011-2012 school year. This list does not necessarily include every special event that will come up along the way (field trips, for example), but it includes all significant events that have been scheduled at the start of the school year. Please note that it is subject to change, and the monthly event calendars that come home are the most current and reliable source of information. Our website calendar is also updated regularly.
