

SMLS Special Events 2010-2011

In an effort to help our families plan ahead, we have compiled this list of special events that will occur during the 2010-2011 school year. This list does not necessarily include every special event that will come up along the way (field trips, for example), but it includes all significant events that have been scheduled at the start of the school year. Please note that it is subject to change, and the monthly event calendars that come home are the most current and reliable source of information. Current calendar information is also updated on our website.
