Jesus Sends the Seventy-Two

Luke 10:1-24

In our lesson this past week, we heard Jesus pray for more workers in his kingdom, prepare workers, and then send them out to preach the gospel.

Read 2 Corinthians 4:1-18. Paul touches on many of the same truths Jesus did with his disciples in Luke 10.

Write down 5 people you can share the light of Christ with. When can you share it with them?

_____ : _____
(Name of person) (When you can share Christ with them)

Place this sheet somewhere you'll see it (on the fridge, next to your dresser, etc.) as a reminder to share the light of Christ with them.
