58th ANNUAL LWMS CONVENTION

After hours of prayer, discussion, and research, your LWMS board members have made the difficult decision to hold a small virtual convention this year instead of the in-person convention in Ohio that we were all hoping for. Thank you, Heartland and Ohio Circuits, for all the planning and work you have done.

Despite some disappointment, we are still excited that, with the blessing of technology, we are able to host a virtual convention.

We do ask that you **REGISTER** for **FREE** by June 20. While you register you will be able to sign up for the Annual Business Meeting, our interactive IGNITE session, and virtual chat rooms to bring us together for some virtual fellowship. We look forward to seeing you online June 24-27, 2021!

If you have any questions, please feel free to reach out to us on our [convention discussion board](#). We will be using this for questions, but also a way for us to continue conversations during the convention.

Follow [LWMS on Facebook](#) for the latest information.
